Subject: Comments on Area 40 HHRA

Hi Lynn – Can you please forward Dan's and CH2M Hill's final comments on the Area 40 HHRA? We would like to get the document revised to address these comments, just leaving a section in the document for the ambient air evaluation. I am hopeful that we will have a proposal for ambient air monitoring ready for our meeting on Wednesday.

Thanks, Chris

Christopher M. Fennessy, P.E.
